

HIGHER SCHOOL OF ECONOMICS

YOUR FUTURE WITH HIGHER SCHOOL OF ECONOMICS

Welcome to Higher School of Economics!

The HSE faculty is strongly dedicated to high academic quality and integrity.

We do build and develop all stakeholder relations to provide the most demanded education by the employer for our graduates.

The HSE education goes beyond traditional lectures, libraries and computer labs. We offer extraordinary learning environment by involving prominent international experts and extracurricular activities.

We invite the best teachers of the country, graduates of the world-class universities, winners of the Presidential "Bolashak" scholarship and the most prominent business practitioners to teach in our programmes.

To be a graduate of Higher School of Economics is prestigious!

STUDENTS OF «TRANSLATION MAJOR»

INABAT KUTYBAYEV

4th year student

«During my study at KAZGUU University I met many good people, including teachers, who have taught me a lot; I gained invaluable experience. Thanks to the study in “Translation” Department, the acquisition of practical skills in translation in various activities such as scientific conferences with the participation of foreign professors, I am a freelancer - non-staff translator.

Thanks KAZGUU!»

BALGYN SARSEK

4th year student

«I find interactive English classes very interesting and productive. For instance, such tests' advantage is that we receive results very soon. Actually, it is important for us, students, to get our grades as soon as possible because period of expectation has a great impact on our nerve cells. I'm very proud that my university keeps step with time».

ALUMNI OF «TRANSLATION MAJOR»

Sabina Amanzholova
KAZGUU Alumnus 2015

"Every person has a place where he feels comfortable, warm and cozy; where he is surrounded by his good friends; where the atmosphere is so good. I was lucky to find it in KAZGUU. Being a graduate in 2015, I keep in mind memories of my University with love and gratitude, also of the department of «Translation Studies». Today KAZGUU differs not only by affordable, but also a quality education that I have received thanks to HSE staff. During these 4 years I have understood what it means to "work tirelessly", because every day I have perfected the knowledge already acquired at school and opened new horizons of science for myself."

DUAL DEGREE PROGRAM

Organised jointly by KAZGUU University HSE and Solbridge International School of Business (Republic of Korea), innovative double degree program offers an outstanding opportunity for students.

HSE offers students the possibility to spent the first two years at KAZGUU University while attending the next two years at SolBridge. KAZGUU, Higher School of Economics recognizes the period of study in Solbridge.

LEADERSHIP DEVELOPMENT PROGRAM

A-STEP TO GRADUATE

This is one of the unique programs of Higher School of Economics for the graduates to improve and develop the skills of individual branding and employability.

A-Step to Graduate prepares students to apply for a job and develops the necessary skills such as time management, interview, presentation and others.

Students can participate at the HSE Economists Club, in the framework of which prominent scientists, economists, politicians of Kazakhstan are invited as lecturers. In 2014/15 there were following meetings of the Club:

1. Opening of the club: Seminar of John R. (Grizz) Dill - Executive director and CEO of IX Power LLC and IX Power, Limited, 20.11.2014
2. The round table «Kazakhstan in the context of global trials: Challenges, Opportunities and Threats» (in partnership with Economic Research Institute), 18.03.2015
3. IV World Economic Forum of Youth (under Astana Economic Forum), 20.05.2015
4. Lecture of Nobel Prize Laureates in Economics, 05.21.2015

Nobel Prize Laureates Finn Kydland and Eric Maskin were invited as guest lecturers under HSE Economists. They were awarded the title «Honorary Doctor» of KAZGUU University.

HSE plans to hold meetings with Nobel Laureates each year.

FINN KYDLAND

Nobel Prize Laureate in Economics 2007, Professor of Economics at the University of California, Santa Barbara.

Lecture: Innovation and Capital Formation in Today's Policy Environment

ERIC MASKIN

Nobel Prize Laureate in Economics 2004, Professor at Harvard University

Lecture: How to Make the Right Decisions without Knowing People's Preferences: An Introduction to Mechanism Design

HSE Welcomes the Nobel Prize Laureates in Economics

Commencement of KAZGUU students
November, 2014 HSE team won the main Cup of KAZGUU Commencement and the Cup «Best Performance».

Themis of KAZGUU became the 4th year student of «Accounting and Audit»
